

Student Council

A Voice for Students

Students have a **voice** and a **contribution** to make at TSBC.

Student Council plays an integral and important role in the TSBC community. It provides a representative structure through which students can debate issues of concern and undertake initiatives of benefit to the students, the school, and the wider community.

Student Council is a wonderful opportunity to express **your views on issues** of concern to the student body and TSBC. The TSBC administration and the Board of Directors encourage each student to take an active part in Student Council.

If you are interested in serving on the TSBC Student Council, please contact John Duncan or Bobby Mercer. We need you!
