Marching Forward Today
Training Faithful Servants
for Tomorrow—Today!

Monday, September 16th

Dear TSBC Family and Friends,

President's Horn...

Fall classes are underway with energy and excitement. Returning from a summer rest likens us unto “the deer who panted for the water.” There are several new students and professors. We praise Him for sending these people to our campus which emboldens our mission statement - meaning our institutional purpose.

The Lord has been with us through a Federal Financial Audit. This has been the first U.S. Department of Education audit in seven years. Higher educational institutions face an ever-mounting increase of regulations from the federal government. These increases beg for additional support of staff and culpability. Regardless of the environmental expectations, our staff leaned upon the Lord.

Please stop in and have lunch, and allow us to share God's goodness.

Campus Notes...

Our staff and volunteers have been recruiting students for the fall semester. Packets have been distributed to all the Tri- State area churches.

The college Institutional Effectiveness Document has been completed for the Association for Biblical Higher Education.

The administration is currently addressing the four year re-evaluation application to the Ohio Board of Regents. OBR grants the authority for degrees.

Please pray for Mrs. Bessie Broomhall. Bessie is the oldest living alumni student of TSBC at the young age of 99 years.

Our Students

We are so thankful for the stalwart motion of Jim Caldwell and Troy Delaney. These two ministers of God's Word continue forward with the completion of a four-year bachelor of science degree while caring for their families and their church. The family of TSBC is very thankful for these Christian soldiers.

Community Picture...

Thanks are expressed for your faithful prayers and financial support.

Appreciation is acknowledged for Mr. Bob Payne, institutional auditor, for his dedication and many years of service.

From the Word...

Paul states in his letter to the Corinthians (II Corinthians 12:1) “boasting is not something worth doing.” His meaning is found in verse 2. It's being in Christ where we receive the benefit of boasting—what He does through us...we are lifted up. Therefore, we must take the low road when there are accomplishments in our life, and lift up our voices unto the glory of the Lord.

What a day that will be when we look upon His face, the One who saved me by His grace; W&M; James Hill (1955)

It's a terrible thing to see and have no vision.

In His Service,

Jack R. Finch
President

The grace of the Lord Jesus Christ and the love of God and the fellowship of the Holy Spirit be with you all.
